

SILK

SACHI, SARA,
JADEN

A LONG TIME AGO, CHINESE PEOPLE CREATED SILK. PEOPLE SAY THAT THE EMPEROR'S WIFE LEI ZU, INVENTED IT. IT ALL STARTED WHEN LEI ZU, WAS SITTING UNDER THE MULBERRY TREE PEACEFULLY, WHEN SHE HEARD SOMETHING SHATTERING UP IN THE MULBERRY TREE.

SHE LOOKED UP AND SAW SILKWORMS SPINNING THEIR COCOONS, SO SHE GRABBED A COCOON AND FOUND THAT THE SILKEN THREAD WAS SHINING, SOFT AND FLEXIBLE. SHE THEN THOUGHT IF SHE COULD UNWIND THE SILKEN THREAD, SHE COULD MAKE BEAUTIFUL CLOTHING. IT'S ONE OF CHINA'S GREATEST INVENTION EVER MADE.

HOW WE FEEL ABOUT SILK

WE THINK THAT IF WE DIDN'T HAVE SILK, THE ENTIRE WORLD INCLUDING PARTIES, AND CELEBRATIONS WILL ALL BE DULL, AND THOSE WHO ALWAYS WANT TO WEAR BEAUTIFUL CLOTHING, WON'T HAVE ANYTHING TO WEAR, AND WILL BE NAKED. CARPETS WOULDN'T HAVE THE SAME LOOK THERE IS RIGHT NOW.
